**16.4 Viability and Structures Steering Group Report to General Synod (Book Ref 2-078) Criterion (b)**

Bishop Andrew Curnow AM moving, Bishop John Stead seconding

The General Synod –

- 1) Receives the report of the Viability and Structures Steering Group and endorses the recommendations contained in the report as follows:
  - to help ensure we develop the visionary church leaders required by the future, Bishops (and, ideally, next generation Bishops) should be intentionally equipped and enabled through the establishment of a holistic continuing leadership development program.
  - to improve the quality and consistency of knowledge and best practices across the Church, the apparatus should be established to facilitate collaboration, including the sharing and communication of ideas, resources and information.

- to enhance the missional effectiveness of the Church, each Diocese is requested to develop a Mission Action Plan, including timelines and resource requirements for implementation, and report back to the Standing Committee.
  - because it is essential that necessary future change is constructively considered on a timely basis, the Bishops are asked to implement a process – to be endorsed at the first national Bishops’ meeting following General Synod – through which, on a regular basis, they would collectively assess any need for significant change and seek to agree how to effect the necessary change.
  - to help ensure the implementation of the recommendations above, the Standing Committee should seek, receive, review and approve sensible resource and funding applications for each of these recommendations.
- 2) Asks the Standing Committee and the House of Bishops to review and facilitate the progress of implementation of these recommendations and present proposals, with actionable plans, to a meeting of Standing Committee in 2018.

## **16.8 500<sup>th</sup> Anniversary of the Reformation** *(Book Ref 4-046)*

Criterion (b)

Bishop Tim Harris moving, The Rev’d Canon Dr Matthew Anstey seconding

Noting the five-hundredth anniversary in 2017 of Martin Luther’s nailing 95 Theses of protest to the University of Wittenberg’s chapel door on October 31, 1517, regarded by many as a significant catalyst in inaugurating

protestant reformations in Europe, and recognising Lutherans as partners with Anglicans in ongoing reforming traditions that encompass a variety of denominations and expressions of the One Holy Catholic and Apostolic Church of Christ;

and further noting the resolution of ACC 16:16 that:

"The Anglican Consultative Council

1. recognizes the significance of the five-hundredth anniversary of the Reformation, which will be marked in 2017; and
2. encourages Anglicans across the Communion to be a part of the commemorations by joining in shared services, undertaking study with Lutherans and other ecumenical partners, and engaging with them in mission activities; and
3. recommends that Anglicans engage with the Lutheran World Federation's focus: *Liberated by God's Grace*,";

The General Synod:

- a) gives thanks to Almighty God that in the grace and mercy of God, the Church continues to be reformed, and seeks ever to be so,
- b) encourages members of the Anglican Church of Australia to join with our ecumenical partners; and especially the Lutheran Church of Australia, in commemorating this occasion, through shared worship, bible study and partnership in mission and ministry projects;
- c) affirms the importance of hearing God's Word in the common tongue, and the practice of regular public reading of the Holy Scriptures through authorised lectionaries; and
- d) recommends for study and discussion the biblical and spiritual reflections contained in *Liberated by God's Grace: Anglican-Lutheran Reflections* (LWF 2017), produced by the Anglican-Lutheran International Coordinating Committee (ALICC4).

- b) encourages theological engagement with the goals, and missional commitment to their achievement;
- c) commends the work of Anglicare Australia, the Anglican Board of Mission, Anglican Overseas Aid, Anglican Aid and other Anglican organisations in striving to achieve the Sustainable Development Goals; **and**

  - c) commends dioceses for undertaking a diverse range of initiatives at revitalising parishes, planting new churches and pioneering different forms of church for people who live in a changing culture;
  - d) recognises that the development of pioneer leaders capable of planting new churches or developing different forms of church remains problematic when little consensus about expectations for ordination and lay ministry exists nationally;
  - e) requests that the Mission and Ministry Commission:
    - i. convene a national network of pioneer leaders engaged in revitalisation, planting and fresh expressions to meet annually;
    - ii. convene a national research network to foster the theology and practice of evangelism;
    - iii. examine how community-based chaplaincy and pioneer ministry intersect to create fresh opportunities for mission in a changing society;

## 15 NOTICES OF MOTION RECEIVED BY STANDING COMMITTEE FROM MEMBERS OF SYNOD AT LEAST ONE MONTH BEFORE THE SESSION OF SYNOD

### 21.2 Condemnation and Apology for Domestic Violence

Bishop Stephen Hale moving, The Ven Kara Hartley seconding

The General Synod affirms that –

1. All human beings, male and female, are created in the image of God, and are precious to him. So their value and dignity should be upheld by all, and rightly commands respect and protection.
2. Healthy Christian relationships are characterised by servanthood and sacrifice, supremely modeled by Jesus Christ. So we encourage healthy marriages and families based on mutual love and respect. No one should feel unsafe in their own home.
3. The Bible always condemns the misuse of power to control or exploit others, and rejects all abuse, whether physical, verbal, or otherwise expressed from one person towards others. Therefore domestic violence is sin, and Scripture should never be twisted to justify or excuse any abuse.
4. No victim of domestic abuse should ever be pressured to forgive, submit to, or restore a relationship with an offender.

Our churches are committed to being safe places for all people, especially children and vulnerable adults, and we will therefore work to protect those experiencing domestic abuse as a first priority.

We grieve with victims and survivors of domestic abuse, and pray for their healing and recovery. We give thanks for those women and men, clergy and lay people, who have faithfully supported, cared for and protected such victims in our churches and communities.

However, we also confess with deep shame that domestic abuse has occurred among those who attend our churches, and even among some in leadership. We apologise for those times our teaching and pastoral care has failed adequately to support victims and call perpetrators to account.

We urge Anglican dioceses around Australia to ensure they have policies and good practice guidelines in place, along with education and training, for responding well to situations involving domestic violence within our parishes and organisations.

We also acknowledge our responsibility to work with the police, statutory child protection authorities and specialist agencies in responding to domestic abuse, including our legal obligations in reporting abuse.

Finally, this Synod again upholds *Faithfulness in Service* as our national code of conduct for clergy and church workers, specifically its affirmations that –

- Abuse of power is at the heart of many relationship problems in the Church and the community. In essence, abuse is one person's misuse of power over another. Sometimes abuse will be a one off event and at other times it will be a pattern of behaviour. (§6.2)
- It is important for clergy and church workers to be good citizens and obey the laws of the community, except where those laws conflict with Christian convictions. (§6.4)
- You are not to abuse your spouse, children or other members of your family. (§6.6)

---

### **21.3 Domestic Violence Longitudinal Study**

The Rev'd Tracy Lauersen moving, Bishop Genieve Blackwell seconding

The General Synod requests the General Synod Standing Committee to investigate and if appropriate commission (using contingencies or other available sources of funding) a professionally designed and independent, longitudinal research study into domestic violence prevalence within the Australian Anglican Church population.

---

## **21.4 Euthanasia**

Dr Denise Cooper-Clarke moving, Dr Karin Sowada seconding

- a) Opposes the legalisation of doctor-assisted suicide and/or euthanasia;
  - b) Urges all Australian State and Territory governments to better resource palliative care services, to improve palliative care in the community. Including regional and remote communities, Aboriginal communities and nursing homes, and to provide better training in palliative care for all health professionals; and
  - c) Urges Australian Anglicans to contact their MP's to express their views.
- 

## **21.5 Apology to the LGBTQI Community**

Bishop John Parkes AM moving, Bishop Ian Palmer seconding

The General Synod –

1. Offers a heartfelt apology to people who are lesbian, gay, bisexual, transgender, intersex or queer and commits to treating with compassion and care those who struggle in the area of their sexual identity and orientation.
2. Affirms that all people are made in the image of God regardless of sexual identity, and no one is without sin, for all fall short of the glory of God. Yet because God's love knows no bounds and extends to all without distinction and without prejudice, if those who bear the image of God are mocked, excluded or abused on account of their sexuality, God grieves.
3. Seeks forgiveness from God and from our sisters and brothers.
4. Apologises to lesbian, gay and transgender people for the hurt and pain inflicted upon you by words and deeds, including thoughtless words, and actions from people in the church.
5. Repents of and is sorry for words of derision, mockery and exclusion when directed against persons who are different.
6. Is ashamed that Anglican churches sometimes fail to be safe environments where people can speak openly and honestly about their struggles.
7. Asks forgiveness for the physical, emotional, psychological and spiritual violence inflicted upon God's children who are lesbian, gay, bisexual, transgender, intersex and queer, by what the church has done and failed to do.
8. Commits the Anglican Church of Australia to listening to you and to learning more about our human sexuality and gender and the way this influences our Christian discipleship.
9. Commits the Anglican Church to teaching church members to respect difference and understand the struggles that others endure as we follow Jesus together.
10. Commits to creating churches and fellowships where compassion and grace abound; where LGBTIQ+ people will feel safe.
11. Asks and encourages churches to make this apology and live as Jesus's disciples with changed attitudes and conduct.

### 22.8 Scottish Episcopal Church

The Very Rev'd Kanishka Raffel moving, The Venerable David Bassett seconding

## 22.10 Faithfulness in Service and National Consistency regarding professional standards

Canon Sandy Grant moving, The Very Rev'd Kanishka Raffel seconding

Synod notes repeated concern expressed for children and vulnerable persons other than children in our churches and organisations, and the need to protect both children and adults from abuse. Synod also notes the desirability of a nationally consistent approach to professional standards wherever possible.

Therefore Synod requests the General Synod Standing Committee (GSSC) to consult with the Professional Standards Commission (PSC) and to report to the next session of General Synod on the status of *Faithfulness in Service* (in the current form approved by GSSC) as our national code of conduct in the various dioceses, specifically:

1. Which dioceses have adopted the *Faithfulness in Service* without amendment as their code of conduct?
2. Which dioceses have adopted *Faithfulness in Service* with amendment as their code of conduct?
3. Which dioceses have used *Faithfulness in Service*, with or without amendment, in some manner other than as a code of conduct?
4. Which dioceses have a code of conduct other than *Faithfulness in Service* (with or without amendments)?

Synod also requests GSSC, in consultation with the PSC, to report to the next session of General Synod on preferred options for effectively ensuring that professional standards regarding the care and protection of adults, especially the vulnerable in our midst, are nationally consistent to the greatest extent possible.

The General Synod –

while abhorring oppression, abuse, cruelty, victimisation and all forms of violence and injustice, and while strongly supporting efforts to deal with such violence and injustice, and

while affirming its deep concern for the poor, the homeless, the lonely, the ill and all who suffer, and while strongly supporting efforts to alleviate such suffering, also

asserts its belief that God loved the world, that his righteous judgement will prevail, that he gave his Son, the Christ to suffer and die for our sins, that he raised him from the dead, that he pours out his Holy Spirit upon his people, that his Son, the Lord Jesus Christ will return in majesty and that he calls all to repent and believe in his son, and strongly supports efforts to proclaim this glorious gospel to the world.
