Diocesan Social Welfare Committee

I grew up in Wollongong, becoming a Christian when I gave my life to the Lord at the age of 11. I have enjoyed the piano for most of my life, both playing and teaching.

I moved to Sydney in my early twenties where I was encouraged to pursue pastoral ministry and from there went to Melbourne in 1985 to study at Ridley College. It was there I met Chris. After marrying, moving to Brisbane and having a family, I then completed further theological study and was ordained in 2000. Chris and I value being in team ministry together.

I have a passion to see local churches vibrant in life and ministry, seeking to fully engage and share the Gospel in a way relevant to the 21st century. I enjoy one-on-one discipling and leading small groups and I'm passionate about embracing all ages in worship. I conduct courses assisting people to discover their spiritual gifts and to train people in relational evangelism.

I love spending time with our three adult children and their spouses, along with our seven grandchildren! I like to dabble in photography, I love creating and drinking great coffee, and together with Chris, we enjoy exploring the waterways of Noosa on our double kayak.
