Personal and Professional:

Michael is a General Practitioner working in a small private practice in Darwin. He grew up in Sydney and completed his Science Degree at Sydney University and then the Diploma in Bible and Missions at Moore Theological College. Then he moved to Newcastle to study Medicine and work as a resident doctor. He moved again to the Northern Territory in 2014 to train for General Practice and has resided there since.

Michael enjoys travelling and preparing his patients for travel and is currently working towards a Master in Public Health and Tropical Medicine.

He has been involved in a variety of ministries including university ministry, short term mission trips domestically and internationally, lay preaching and supporting fellow Christian doctors through the Christian Medical and Dental Fellowship.

He attends St Peter's Nightcliff. He is married to Margot and has one living son aged 5.
