

## **Dr Richard Lord- General Synod Profile 2022**

GS 18 is my first attendance at a General Synod, as a Lay member for the Diocese of Tasmania.

I have been a life-long Anglican, growing up in a church family and then coming to faith in my teens. Since then I have been a member of Wellspring Anglican, Hobart, serving variously as Parish Councillor, Church Warden, and Nomination Committee member.

I have been a lay representative to the Tasmanian Diocesan Synod since 2004, and have chaired the Diocese of Tasmania's Professional Standards Committee since 2010.

I am married to Helen; we have three adult children: Ruth, James and David.

I enjoy bushwalking (Tasmania never disappoints!), photography and researching Tasmanian colonial history.

### *Professional CV:*

MBBS University of Tasmania 1980, FRACGP 1988, DRANZCOG 1990

Subsequent medical practice in the UK and Tasmania, currently in private General Medical Practice in Kingston, Tasmania.

Medical Officer of Health, Kingborough Municipality; Fellow, RACGP; member, Australian Medical Association; member, Christian Medical & Dental Fellowship Australia.
