

10 STEPS TO YOUR PURPLE BENCH

1. **Gain permission** from parish council (or other agency governing body) to place bench in the grounds
2. **Identify bench** (existing, or one to purchase)
3. **Register bench** by emailing the Centre for Women's Safety and Wellbeing (CWSW) - admin@csws.org.au
4. CWSW will connect you with **Dulux paint** who will deliver a pot of paint ("purple wisdom") for your bench - free of charge
5. **Order your plaque** for the bench by contacting Helen from the Diocesan Family and Domestic Violence Working Group – helen.krynen@gmail.com
6. **Make donation** for plaque – suggested amount \$100 - \$150 to support diocesan work to end family and domestic violence. Bank details will be provided.
7. **Paint bench** and attach plaque (with glue and screws)
8. **Place bench in a prominent, public place**
9. **Arrange launch** – a rep from Dulux will want to come along. Your local elected member, mayor or other civic figures may also attend. Invite the Archbishop/member of senior clergy to bless the bench. Invite local media.
10. **Promote bench** on church/chaplaincy/agency website, social media and through the FDV Working Group
